foreword.....

". . . . . .the lighter side, the humorous, the smile instead of the very serious look. Let's play up the bright side in this year's annual."

The Staff

Why?

Perhaps because the people who put this yearbook together agree that laughter, which expresses the joy of living, is here to stay. It's part of being young. Laughter expresses, if uneasily at times, our faith that today and the days ahead are worth our best effort - and our brightest smile.

Staff members are as sure as anybody that the champion smile is the one which is genuine, sincere, - not something put on artfully or artificially in an effort to impress other people. A smile should reflect what one feels inside, and is not an exterior "design" flashed on and off depending on who's looking.

One more thing: the staff is well aware that the business of going to school, and becoming educated, is a very serious business. Not many of us grin from ear to ear as we sit down to an hour of algebra homework.

It is of utmost importance that every student take his schoolwork seriously; that he put forth his best effort all the time; that he accept responsibility, and always use good judgment every day in every thing he does.

The staff does not, in any way, wish to minimize the necessity for every student to take school seriously, to think responsibly, and to act with dignity.

Our book this year simply says, "Look up - not down"; "Smile - don't frown."

"Talk happiness. The world is sad enough
Without your woe. No path is wholly rough.
Talk faith. The world is better off without
Your uttered ignorance and morbid doubt.
Talk health. The dreary, never-ending tale
Of mortal maladies is more than stale;
You cannot charm or interest or please
By harping on that minor chord, disease.
Say you are well, or all is well with you,
And God shall hear your words and make them true."

Wilcox

"Laugh and the world laughs with you;
Weep and you weep alone;
For the sad old earth must borrow its mirth,
But has trouble enough of its own."

Mr. George R. Chavatel,
instructor in art,
we fondly dedicate this
record of happy hours
made profitable at Warwick Junior High.

Mr. Chavatel
is congenial, friendly - greatly "interested".
He brings to class that spark of enthusiasm
which ignites imagination
and inspires students to greater effort.

"A man that has a taste of music, painting, or architecture, is like one that has another sense, when compared with such as have no relish for these arts."

Addison

Mr. C.

This caricature is a sort of "self-portrait", done by our Mr. Chavatel himself.

Although Mr. Chavatel is accustomed to being called upon to furnish a variety of art work for this and for that in a daily stream of requests, the annual staff had to resort to some "crafty" persuasion to get this little item.

By tradition, the dedication of the yearbook is a secret with the annual staff until the books are distributed. This year the staff hopes to announce the dedication at a student assembly sometime in the late spring, when the '60 edition of the CAVALIER comes from the press.

Within the limit of becoming mirth,
I never spent an hour's talk withal."

Franklin D. Roosevelt

So the students of Warwick Junior High School nicknamed themselves "cavaliers" in an election during the first year the school was in operation - 1956.

Junior high school is truly an adventure - in so many ways. And, for the most part, students enter eagerly upon this adventure. New horizons, and new visions, new opportunities and new responsibilities, are presenting themselves every day at Junior High.

We are, indeed, CAVALIERS.

Mr. Joseph D. Amott

Mr. Amott has been principal of Junior High since the school was established in September 1956.

From the very first it was obvious that under his leadership the school would build a reputation of which the community feels proud. Any visitor to Junior High sees an orderly, well-mannered, happy group of boys and girls, going about the business of school life in ways that reflect the quality of Mr. Amott's administration.

Last year, when the students first published a school annual, our principal was the unanimous choice when deciding the dedication. He commands the respect and admiration of all the students, and our loyalty to him increases as the years pass.

"Human history becomes more and more a race between education and catastrophe."

"A laugh is worth one hundred groans in any market."

Charles Lamb

Mr. Custer

Our assistant principals are Mr. Jack M. Custer and Mr. Kenneth B. Bennett. School secretaries are Miss Audrey Davis and Mrs. Joseph W. Mahanes.

Mr. Custer came to Junior High in 1957, following five years of teaching mathematics at Warwick High School. He has B.S. and M.Ed. degrees from the College of William and Mary.

Miss Davis attended Madison College, and she was secretary at Warwick High for two years before coming here in 1956.

Mr. Bennett, who joined the staff this school year, has a B.S. degree from West Virginia Institute of Technology, and a M.Ed. degree from the College of William and Mary. Before coming to Junior High, Mr. Bennett taught at Botetourt High School and at Newport News High School.

Mrs. Mahanes did substitute teaching at Briarfield Elementary before coming to Junior High.

These are the "book talk" captains who headed teams of Junior High students which visited elementary schools during the year to stimulate interest in reading. The Captains are Karen Hansen, Judy Hopson, Liv Lassen, Donald Granger, and Bill McIntire.

Our WJHS

Grouped around the main desk of the Junior High library are members of the teams which went to various elementary schools in the city to "talk books:, and encourage use of the library.

Pictured in the library are students who have spent many hours performing various duties in helping the library to serve the student body. These people help to unpack new books when they arrive, they check out books, write overdue slips, and in other ways assist the regular librarians to make our school library more useful.

Library

And this is a view of the library, looking from the rear of the reading room toward the main circulation desk. Our library is becoming better stocked as time passes, and is being used more and more by individual students, teachers, and classes.

These are the officers of the Student Cooperative Association. They are Dick Allerton, president, Frances Fry, secretary, Ronnie Coltrane, chaplain, Gay Carpenter, secretary, and Bobby Bunn, vice president.

One student was talking to one of his teachers asking her for help in French. She told him that she had at one time taken French but she could not remember much now. All that she could remember was "Parlez vous Francaise? Chevrolet coupe."

Junior High's Cavalier band is under the direction of Mr. Donald Bruno, bandmaster at our school since it was first organized in 1956.

Students are justly proud of all organizations at Junior High, but no group, any where at any time, have done more to earn this school's admiration than "our band."

Mr. Bruno has spared no effort to mold this organization into one of the finest junior high school bands to be found anywhere. His pupils have consistently placed high in various competitions, and they have received tremendous applause for their programs in concert, as a marching band, in assemblies, and at athletic events.

The Camera Club

The camera club at Junior High was organized last year by request of a few students who were interested in getting instruction in the art of photography, and in joining with other students to take and process good pictures.

This year the group is being directed by science teacher, Mr. Harry Harmon.

Each member uses his own camera and other materials, and in addition, the school has some equipment in a make-shift darkroom on the second floor.

The Cheerleaders

These are our cheerleaders; they are the girls who have lead our teams to victory. Of course, you can't leave out the players or our coaches, but without cheerleaders . . . who knows? The Ninth Grade

Ninth grade students proceed next to Warwick High for the final three years of high school, after two sessions of being "Cavaliers".

At Junior High, these students establish a program of work normally followed through high school. Modern foreign languages and a second year of algebra are recent new offerings at Junior High.

There is no formal graduation at our school. There is, however, a ninth grade assembly, late in the spring, at which various awards are made. Parents are always welcomed at these assemblies.

Faces In The Crowd

Some Very Important People

Helpful parents came to school to conduct tests of vision, using machines provided by the Lions.

Mr. West, our custodian, and his faithful crew of workers, spent many hours keeping the building in fine shape.

Ah, those cafeteria ladies! We all agree that there are no people more important than those who prepare and serve our food.

Another V.I.P. takes time to help out at school with the sight conservation program.

Mr. West checks up on things.

Soup's On!

No matter how large or how small the group may be - if they're Cavaliers of Warwick Junior High they're the greatest.

The staff hopes that all the students, and all the faculty, and all the parents, will enjoy this account of 1959 - '60.

For now, and all the years to come, don't forget . . . . . .

Yea, Cavaliers!

Smile!

sweet girl who has
been a very nice friend.
